LA INCREIBLE HISTORIA DE Cosme Romerales (oficinista)

Cosme Romerales era un honrado oficinista que tuvo que enfrentarse inesperadamente con una nueva herramienta de trabajo, el ordenador. Cosme Romerales sentía, probablemente como vd., una profunda animadversión hacia aquella máquina que no comprendía.

Cosme se sentía torpe e inseguro ante el ordenador y fruto de la torpeza del principiante sufrió un terrible accidente que cambiaría su vida.

Manipulando el ordenador recibió una tremenda descarga que le produjo una extraña mutación. Cosme Romerales se había convertido en **MEGATORPE**, el nuevo héroe informático, y a partir de entonces se convirtió en paladín de torpes y principiantes dedicando todos sus superpoderes a la ayuda de todos aquellos que como vd. se enfrentan por primera vez con un ordenador.
