

Customary Rules- Kanun

- Kanun is "a set of norms and unwritten laws passed on from generation to generation since medieval times, whose influence is strong even nowadays, regulating the social and juridical life of remote communities in High Albania" (Dictionary of the Modern Albanian Language 2002, p. 548)
- The unwritten laws (Kanun) emerged to guarantee to *everyone*, regardless of individual endowments, a fair distribution of best pastures, fertile lands, forests and water for irrigation (Hasluck, 1954).

The Dictionary is also an invaluable resource for all students studying biology, environmental sciences, forestry, geography, geology and wildlife management.
